ALDERMAN • WARD 5

"A Hard Working Alderman"

Dear Ward 5 Resident,

On Tuesday April 7th, you'll have the choice to either re-elect me for another term as your Alderman or to choose a different, unknown path.

You know me, and you know I get things done for my Ward 5 constituents.

I believe that my record of service as your Alderman speaks for itself. In May 2014, the SJ-R ranked me as one of the top two most effective aldermen. By re-electing me to serve you on the Springfield City Council, I promise you that I'll continue the hard work I have done to improve the quality of our Ward 5 neighborhoods.

How well do you know my opponent?

1st-time candidate, Andrew Proctor claims that his motive for running for Ward 5 Alderman is to serve our community. However, one look at his resume tells a very different story. In his eight-or-so years as a Springfield resident, my opponent has been too busy building up his own political resume as a conservative Republican to have much time for local community service.

Sam Cahnman	Andrew Proctor
Helped secure \$86 million to fix our aging streets, sidewalks and other infrastructure.	Illinois Field Director on Rudy Giuliani's presidential campaign (6 months)
Co-sponsored the new abandoned properties ordinance putting 3-year limit on registering vacant local properties	'Regional Victory Director' on the McCain-Palin presidential campaign in Ohio (6 months)
Pushed for more resources to demolish abandoned buildings: led to a record number of demolitions	Volunteer Coordinator on the 'Dillard for Governor' campaign in Champaign, IL
Created the Round Up program to help the local homeless community	Champaign Campaign Director: Bill Brady for Governor and Mark Kirk for Senate
Sponsored and passed the ordinance prohibiting gender discrimination at Lake Springfield clubs	Manager of Political Action Committee (PAC), Champaign, IL (1 yr, 9 months)
Introduced and passed under-18 tanning ban to protect local youth from skin cancer	Director of Advocacy Illinois Chamber of Commerce
In May 2014, Alderman Cahnman was ranked 2nd out of the 10 Springfield Aldermen by the SJ-R for number of ordinances introduced and passed.	In February 2015, Mr. Proctor was hired on by the new Gov. Rauner administration as a lobbyist for the Department of Employment Security.

-----Over-----

A copy of our report filed with the State Board of Elections is (or will be) available on the Board's official website (www.elections.il.gov) or for purchase from the State Board of Election, Springfield, Illinois

Senator Andy Manar: *"Since being elected to the State Senate in 2012, I've seen Alderman Sam Cahnman work constantly for Ward 5. He and I talk on a regular basis about issues related to State government and the City of Springfield. Alderman Cahnman is responsive to his constituents and is a strong advocate for the people of Ward 5. I support his re-election for another term on the City Council."*

I have lived in Springfield since 1979, and for the past 8 years I've worked hard as your Ward 5 Alderman to ensure that you are well represented. With a new Mayor, Ward 5 and our city needs an experienced Alderman on the City Council- one with proven results!

I am asking for your vote on Tuesday April 7th, so that together we can continue to build a bright future for our community.

Yours in Service,

Alderman Sam Cahnman
